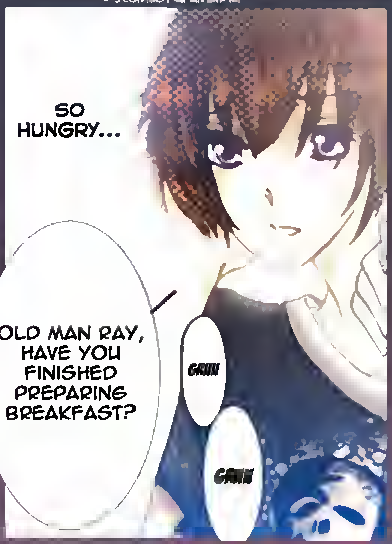
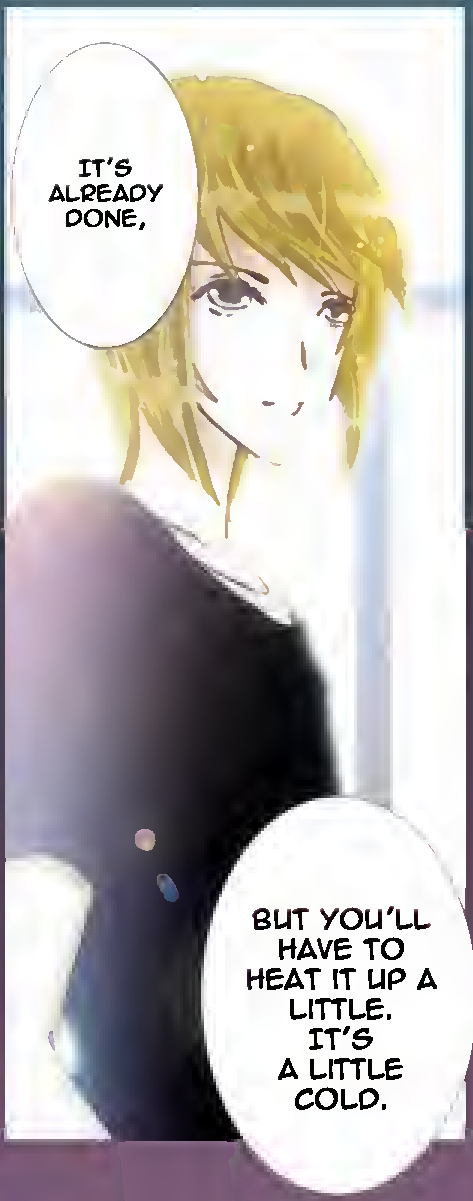
*stomach grumbling





—WHAT?!!
MILK TEA

SFX:STARE~
NOT ALL SHINY AND SPARKLING EITHER...
NOT DISAPPEARING INTO ASHES FROM THE SUN...
.....
WHY WOULD I BE SPARKLING? THE DISAPPEARING INTO ASHES IS UNDER-STANDABLE THOUGH
—SILENCE
?
AAHH... THIS IS THE LEGENDARY MIND READING?!
OH NO... I WON'T HAVE ANY MORE PRIVACY IN THE FUTURE...
NO... YOU JUST MUMBLED IT OUT LOUD IT WASN'T MIND READING...

IT'S DAYTIME RIGHT NOW. IF IT'S DAYTIME, SHOULDN'T VAMPIRES BE HIDING AND SLEEPING?
BUT YOU LOOK JUST LIKE A NORMAL HUMAN
OR WILL THEY JUST SPARKLE WHEN HIT BY SUNLIGHT, MAKING THEM DIFFERENT FROM HUMANS...
CAN IT BE THAT IN REALITY, VAMPIRES CAN MOVE FREELY UNDER SUNLIGHT...?
IF THAT'S SO, AREN'T HUMANS IN GRAVE DANGER THEN?!!

THAT'S ENOUGH, RAY ---
SIT DOWN AND EAT FIRST, AREN'T YOU HUNGRY?
DON'T GIVE ME THAT FACE, I KNOW YOU'RE VERY CURIOUS ABOUT THE VAMPIRE RACE.
I'LL TELL YOU SLOWLY WHILE YOU EAT, OK?
ABOUT WHAT YOU JUST SAID... VAMPIRES ARE NOCTURNAL CREATURES, SO BEING AFRAID OF SUNLIGHT IS IN OUR NATURE. SUNLIGHT WILL BURN US AND IT MIGHT EVEN TURN US INTO ASHES, BUT I'M A SPECIAL VAMPIRE. I HAVE HALF-HUMAN BLOOD SO I CAN COME OUT DURING THE DAY.
MIXED-BLOODS ARE THE BEST THEN?!

THIS IS WESTERN FOOD, RIGHT...
USING CHOPSTICKS..
.. SO WEIRD...
SUPER——
DELICIOUS——!!
DO YOU LIKE IT?
EH?!! COULD IT BE THAT YOU MADE BREAKFAST...
YOU DIDN'T ADD ANYTHING STRANGE INSIDE, RIGHT..
?
I HAVEN'T PREPARED ANY MEALS IN 10 YEARS,
SO I'M A LITTLE WORRIED THAT IT MIGHT NOT SUIT A HUMAN BEING'S TASTE...

UM..
I WON'T TURN INTO A VAMPIRE AFTER EATING THIS, RIGHT? (IF THERE'RE STRANGE THINGS ADDED INSIDE...)
OR DO I HAVE TO GET MY NECK BITTEN AND DRINK YOUR BLOOD TO BECOME A VAMPIRE, OR SOMETHING LIKE THAT...
SO, LITTLE RAY WANTS TO BECOME A VAMPIRE TOO?
No!
OH, LITTLE RAY KNOWS ABOUT THE BLOOD OATH'S 'FIRST EMBRACE,' EH..
I STILL LOVE THE SUNLIGHT VERY MUCH. I'M JUST ASKING OUT OF CURIOSITY RIGHT NOW!!

IT SEEMS THAT THERE'S NO PROBLEM WITH THE FOOD.
BUT....
HUMANS CAN REALLY BECOME VAMPIRES, RIGHT...?
SINCE HUMANS CAN REALLY BE TURNED INTO VAMPIRES,
THEN... THE NUMBER OF VAMPIRES EXISTING ON EARTH SHOULD BE QUITE HIGH, RIGHT?
! !

VAMPIRES
—
ARE NOT
SOMETHING
SO CHEAP
THAT THEY'RE
BEING
MASSIVELY
PRODUCED

THAT'S AN——
EXTREMELY ARROGANT
EXPRESSION...
